PREPARING YOU TO GRASP FUTURE POSSIBILITIES

AKM60104028

APPLICATION FORM & PROSPECTUS

Mr. Anil Nijhawan - Chairman

## CHAIRMAN'S MESSAGE

"The best way to predict the future is to create it." - Abraham Lincoln

Welcome to IWP!

You've chosen a path that leads to empowerment and career success. Congratulations! YOUR FUTURE IS HERE.

IWP has been a harbinger of change, inspiring excellence with over 18 years of dedicated service in the domain of vocational education. As one of the premier centres of learning for women, we strive hard to create competitive professionals with industry oriented courses and learning modules. After all, having a successful career is empowering, and also, provides the freedom and confidence for women to achieve their dreams. So when you enter IWP, you can be assured that the sky is truly the limit for each one of you.

IWP is a progressive institution with modern values and offers an environment conducive for holistic development . We celebrate diversity of culture, language, religion etc. and encourage our students to celebrate their uniqueness. This ethos reflects in the heterogeneity of our student body, who come to us from all over the world.

We have a glorious legacy, and while we cherish and celebrate it, we prefer to look to the future. Because ensuring to each of our students a successful future, is our enduring commitment.

I look forward to meeting you at IWP. Good Luck!

## MANAGING DIRECTOR'S MESSAGE

It gives me immense pleasure to welcome you to IWP. I congratulate you for making the right choice for your career.

### **YOUR FUTURE IS HERE**

With 18 years of dedicated service & excellence in vocational education, IWP is creating success stories batch after batch, and earning laurels from students and employers alike

### **It's YOUR TURN**

IWP is the ultimate learning place for women. We strive hard to empower women through our vocational courses, which focus on creating technically sound and highly competitive professionals.

We believe, that with the learning we impart, and the confidence and self motivation we instill, the sky is truly the limit for each one of you.

IWP is a progressive institute, and we celebrate diversity of culture and language, and if you look around you, you will see that our student body reflects this ethos.

### **WE ENCOURAGE YOU TO EMBRACE YOUR UNIQUENESS**

We have a glorious legacy, and while we cherish and celebrate it, we prefer to look to the future. Because ensuring to each of our students a successful future, is our commitment.

I look forward to meeting you at IWP.

Good Luck!  
**Mr. Vishal Nijhawan**  
Managing Director

Mr. Vishal Nijhawan - Managing Director

## THE INSTITUTE

Since 1998, IWP has been working successfully with the motto to uplift the social status of women in the society. IWP today has an enviable reputation based on the achievements of its staff and students. IWP has ventured into the realms of training aspirants in different professional courses. The polytechnic has a unique identity, which means that students benefit from the informal and friendly atmosphere of a small college environment, while still being able to take advantage of the extensive facilities and resources of a large institution. Professional orientation and sound teaching methodology has made IWP an institute of pre-eminence. As a premier educational institution, IWP is known to care for its students. This care has been aptly translated into dedicated professionalism, methodical approach, technical expertise and sophisticated infrastructure.

## TRAINING METHODOLOGY

The greatest advantage of IWP lies in the fact that all courses are computer aided. The courses give the students freedom to develop their spirit of innovation and explore the professional world through the use of computers and with the guidance of IWP's experienced faculty.

## FACULTY

The IWP faculty are full-time, qualified professionals, always there to guide students and are specially trained to understand student psychology, internalize knowledge uniformly and put across difficult to understand concepts simply. From time to time guest faculty seminars are conducted at IWP, where professionals and experts from the industry are invited to keep students aware of latest technological trends.

The Business Management Education Centre (BMEC) is a UK based awarding body providing certification and accreditation services globally. They pride themselves on offering high quality programmes supported by senior academics with extensive experience in higher education.

BMEC provides Management programmes at undergraduate and postgraduate levels that are industry focussed.

BMEC qualifications are aligned to the UK National Qualifications Framework (NQF) and the European Qualifications Framework (EQF).

BMEC offers programmes in many countries around the world and their strong links with UK and international educational institutions provide a robust foundation for their well-respected portfolio of qualifications.

Their experienced team of academics develop and assess programmes covering a wide range of business and management related areas.

BMEC provides:-

- Top quality programmes
- Highly respected qualifications
- Excellent customer service
- Industry focused programmes
- Flexible approach
- Speedy answers and solution to your problems

## CAREER ORIENTED PROGRAMS

The whole training time is equally divided into theory and practical sessions. Apart from regular computer and workshop time, students are allowed unlimited access to the institute's infrastructure to sharpen their skill, express their creativity and enhance their level of curiosity. This builds self-confidence, allows them to explore the wide horizon of their courses, thus shaping them into confident professionals.

The quality of education and eagerness to learn will stand by you in this competitive, performance driven world. It is for you to use inherent aptitude to make the most of it. IWP offers a wide range of professional courses for today's professional careers, training you in the current and emerging technologies that employers will look for when you start working.

## GENERAL INFORMATION

### Employment Bureau

The Polytechnic has an employment cell which maintains close liaison with industries, business and trade houses and also other organizations for suitable placement of students completing various courses. The role of the cell is to inform the potential employer about the training programme,

### Identity Cards

After admission, students will be given identity cards which they should keep in their possession and produce whenever required for their privileges, concessions etc. The cards are to be renewed in each term and should be returned after the completion of the course or on leaving the Polytechnic.

### Library

The Polytechnic is proud to have an adequate collection of books. It caters to more than 10 different vocations. Any student wishing to take advantage of the library, would be issued maximum of two books for a period of not exceeding one week. To make the collection further rich, the Polytechnic endeavors to add new books periodically.

### Notice Board

It is compulsory for students to read the Notice Board regularly for any announcement made by the Polytechnic from time to time.

### Change, Alteration and Closure of Course

If any student wishes to change the course, she can do so within one month of the commencement of the classes and with the prior permission of the Manager. The grant of permission would be subjected to availability of seats. The Managing Committee of the Polytechnic reserves the right in its absolute discretions to change the syllabus, the timings of the Polytechnic or closure of a particular course if sufficient number of students are not enrolled. The students affected will be given an option to change to another course or to withdraw the admission.

### Loss or Damage of Personal Property

All property (which includes clothing) brought to and left in any part of the Polytechnic premises shall remain throughout at the sole risk of the owner of the said property and the Polytechnic does not undertake or accept any responsibility whatsoever for the safe keeping of such property or for the loss or damage to it.

### Work Material

The stationery and other material for the theory and practical work has to be brought by the students. However, in order to help the students, the institute may sell the required material in the Polytechnic. The Polytechnic reserves the right to retain the students work of Art of their thesis for exhibition or for some such reasons. Students are required to get their own materials for the practical examinations.

### Rules and Regulations

All students shall regularly attend lectures and practicals throughout the sessions beginning with the first day of instruction. Each student should have minimum 80% attendance in each subject separately. 20% allowance in shortfall of attendance is for unexpected or unforeseen circumstances. It is the responsibility of the individual students to be aware of their attendance record. The Polytechnic is not bound to inform.

## GENERAL INFORMATION

### Discipline

Polytechnic gives top importance to discipline. The students are required to note the following in particular.

- (a) In all cases prior permission for leave should be secured except in case of illness where past fact to approval could be given on production of a Medical Certificate.
- (b) Regular attendance and punctuality shall be observed.
- (c) If any student is found damaging the institute's property or misbehaving with the staff or with any other student, she shall be dismissed from the institute with immediate effect and the entire fee will be forfeited. No Certificate or Diploma will be awarded to such students.
- (d) Students can use the Polytechnic's telephone only during the break in case of an emergency. No outstation calls would be entertained except in case of an emergency but instead, the message can be taken.
- (e) Use of Mobile Phones in class is not permitted in the polytechnic.
- (f) Any Student caught cheating during the exams, her paper will be cancelled and strict action will be taken against her, in addition to paying thrice the amount of re-examination fee.

### Timings of the Polytechnic

For all the courses	9.00am to 6.00pm
Administration office timings	10.00am to 5.30pm
Parents and Staff meeting	12.30pm to 2.00pm

## GENERAL INFORMATION

### Compartmental Examination

All Compartment candidates will be eligible to appear in the supplementary examination to be held later after declaration of the results. The students will be required to pay the re-examination fee (the exact date and amount would be specified each year.)

### Results

Results of the successful candidates will be exhibited on the Polytechnic's Notice Board within a month of the finishing of the final examination. Candidates securing 60% or above marks will be placed in the 1st Division and between 50-59% in 2nd Division. Pass percentage shall be 40%. Those obtaining 75% and above marks in total or in any subject will be entitled to special Distinction/Citation on the Diploma/Certificate and would be suitably rewarded.

### Provisional Certificate / Diploma

Provisional Certificate together with mark-sheet will be issued to the successful candidates within a month after declaration of the result. The Polytechnic may organize special convocation function to issue Diploma/Certificate and all the successful candidates will be informed in this regard well in time.

### Meeting a Student

No guardian or parent can see a student directly in the classroom. Such request would be attended by Reception.

### Development of Entrepreneurship

In order to develop entrepreneurship among the successful candidates and to assist them in setting up their business establishment, the polytechnic would provide all the necessary assistance in terms of development of contacts, canvassing and personal guidance.

### Extra Curricular Activities

Extracurricular activities like picnics, excursion, celebrations and Annual Day would be organized by the institute. Students who excel in various competitions will be awarded prizes.

### Industrial Visits

IWP offers opportunity to all the students to interact on a consistent basis with Industries by way of visits to many renowned companies. Industrial visits provides opportunity for interaction with entrepreneurs and executives associated with visit to a working establishment. Visit gives right perspective of what is disseminated in classrooms. The visit is organized for industrial establishments and business houses for their contribution to Indian economy. This helps students to understand the journey of product from place of production to customer's hands and management strategies, which make this journey fruitful.

### Payments

Fee for the courses vary according to the type of course, the mode of the study and duration of the course. Full details are available with the Admission Counsellors.

Fee is payable in Cash/Cheque/Demand draft in favour of "KUNDAN LAL GOVIND RAM EDUCATIONAL SOCIETY" payable at New Delhi, at the beginning of the course or on an approved installment Plan. Students who are sponsored will be asked to provide written evidence of this so that we can invoice their sponsors directly. Students paying their own fee will be expected to make satisfactory arrangements in time and those whose fee payments are in arrears will not be permitted to continue with their courses.

Polytechnic dues must be paid before the prescribed dates. Defaulters will have to pay a fine uptill 10 days from the prescribed date, thereafter the name will be struck off the rolls of the polytechnic. Re-admission fee of Rs. 2500/- will be charged from the students who want to join after 10 days grace period.

## TESTIMONIALS

NEERU

Myself Neeru, I completed Fashion Designing course from IWP and now I am working in a reputed company M/s. Chemeast India Pvt. Ltd. as a Merchandiser .

It was an interesting experience learning Cosmetology at IWP. Anyone after doing this course will do better because the way we were taught was so easy for everyone. It was a great and wonderful experience. Thank you IWP.

ANJU

SURBHI MALHOTRA

I have completed NPTT from IWP. I'm working in "Mount St. Mary's School" as a Nursery and Primary Teacher.

I am pursuing NPTT Diploma Course from IWP and I must say that my journey through the whole course has been rather a spectacular one! The course was exactly what I was looking for. To be very honest, my very first interaction with the institute made me want to be a part of IWP family.

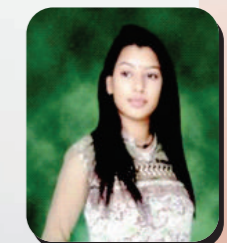

VANDANA MADAAN

MRIDULA

I Mridula consider myself fortunate being an alumni of Interior Designing at IWP. Teachers are very supportive and helpful. Today I am working in IWP as AUTO-CAD faculty. Everything that IWP promised has come true and more. Thank you IWP. I will continue to sing your praises. I owe you so much. IWP not only gave me a career, but also self- esteem and confidence.

I came to IWP as I wanted to learn Fashion Designing practically not theoretically & learn to bring product ideas into beautiful garments. I have learnt everything from pattern making, fashion illustration to sewing. I can now make my own high quality garments. My dream has always been to run a small label and with the skills learnt at IWP that dream is coming closer and closer

SAKSHI VERMA

## TESTIMONIALS

MEENU

Studying Fashion at IWP was an excellent way for me, I learned to express my ideas in unique, non-traditional ways and to find inspiration from places I'd never otherwise considered. The faculty at IWP are extremely knowledgeable and experienced. They are down to earth, laid back and easy to get along with. Right from the start they throw exercises at us that were uncomfortable and forced us out of our comfort zone, but it made me better. They have high expectations of us and they made that evident. With their help and guidance along the way, I was able to produce work that is far better than any work I have produced in the past.

When I expressed an interest in learning more about Interior Design and Decoration courses, I eagerly devoured every scrap of information in IWP prospectus. Needless to say, I liked what I read and enrolled for the Diploma Course an Interior Designing. " Thank you IWP. I will continue to sing your praises. I owe you so much, you not only gave me a career, you gave me self-esteem and confidence in my own ability."

SANTOSH KUMARI

POOJA CHADHA

I completed NPTT from International Women Polytechnic . After completing my course I got a call from "Tree House" school. All teachers at IWP were so cooperative and understanding. I have been taught with love and affection. I got the chance to learn new teaching strategies.

I consider myself fortunate being a part of International Women Polytechnic. Teachers are very supportive and helpful. The techniques used for teaching NPTT are tremendous and outstanding. The course NPTT has proved extremely beneficial as currently I am working with Mother's Pride and applying all the knowledge and experiences gained from IWP. I would like to express my sincere thanks and gratitude to my teachers and IWP . Whatever I have learnt here will be with me forever and will always help me in attaining success in life.

SALONEE KHANNA

## TESTIMONIALS

NEHA

" Secretarial Practice Course" provided me with the challenge of learning new business skills from distinguished faculty while interacting with my peers. These skills have only served to enhance and complement my career." I got a job in Mavry Consultants.

I am Priyanka pursuing Diploma in NPTT at IWP I must say, that my journey through the whole course has been rather a spectacular one! The course was exactly what I was looking for. It had the right amount of theory and industrial experience unlike what the other institutes were offering for a student applying for diploma. IWP has taught me a lot in a very short time. IWP showed me the way to my future and I truly appreciate all the love and support by my teachers, the staff and the whole administration. I couldn't have asked for anything more. So keep up the good work.

PRIYANKA

TANVI SEHGAL

"I applied to the Human Resource Management program because I heard how successful the graduates are and how professional the instructors are. Both students and staff at IWP have made me feel extremely welcome. Attending IWP has definitely been one of the best decisions I've ever made." Now I have my bright future working as Office Coordinator in Lattice Inc.

"I can positively say doing NPTT at IWP has made me a better person. It has helped me develop a positive attitude towards my studies and discover more about myself. Teachers are very caring and interested in students' well-being. They make sure every class is fun, educational and interactive .

ANWARA BEGUM

## TESTIMONIALS

**PRASHU GUPTA**

I have always felt that I was so lucky to be a student of NPTT at **IWP**, and not at any other Institute. The thing I admire the most about **IWP** is the support I received from everyone. I wouldn't have been able to achieve what I have achieved without the caring environment at **IWP**

I have done Fashion Designing from **IWP**. I like the friendly atmosphere here and the fact the teachers are really close to the students. Some of the teachers are really kind and their way of teaching is really interesting. They are also very motivational. We are enthused by the classes. The batch size is smaller here, so the teacher has more time to focus on each student.

**KAMALJIT KAUR**

**BARKHA BISWAS**

I have had the best time in **IWP**. Beauty Culture & Hair Dressing course has taught me so much and it has made me realise how strong my passion is for COSMETOLOGY industry. I'm looking forward to developing my skills as a Make-up artist. The choice to do this course was the best decision, I have made! A huge thanks to my faculty for her positive influence that helped me to widen my knowledge and skills. If only this course could go on longer!

I have gained a lot from the Fashion Designing Course from **IWP**. I have learnt so many invaluable techniques from my teachers at **IWP**, such as making a skirt, dress, blouse and the basic steps for designing high quality garments. I have also improved in my confidence. My confidence and motivation to do well in my designs and fulfilling my ambition has skyrocketed! Thanks to **IWP**.....

**APARNA JAIN**

## TESTIMONIALS

**IPSHITA**

Studying Interior Designing at **IWP** was an excellent experience for me. I learnt to express my ideas in unique and modern way. The faculty at **IWP** are extremely knowledgeable and experienced. They have high expectations of us. Today I am working as a faculty in IIFT. I consider myself lucky to be part of **IWP**.

My journey through the whole course has been a spectacular one. Interior Designing course is exactly what I was looking for. It has right amount of theory, practical and computer software, unlike what other institutes are offering. **IWP** taught me a lot. The whole staff and teachers are very good and cooperative. I truly appreciate the love and support received from my teachers and the whole administration. It was a great experience studying here.

**SHATAKSHI SHARMA**

**SUPRIYA BHATNAGAR**

For anyone thinking about enrolling in Interior Designing course, I say: stop hesitating and enroll at **IWP**! Thanks to the new tools and guidance provided by my tutor. I can now take notice of many more details, when I enter a room. It has also enabled me to become courageous with color schemes and explore my creativity when family and friends ask for advice. The fact that they ask for my recommendation indicate that I have already come far by learning INTERIORS at **IWP**.

It was an interesting experience learning Cosmetology at **IWP**. It wasn't easy at first but it was strange adapting into new ways of doing the things I used to do before and I do better now. The experience is one I will never forget in my life time and I will always refer people to this platform and training ground at **IWP**. Anyone after doing this course will do better because the way we were taught was so easy for everyone. It was a great and wonderful experience. Thank you **IWP**... love you! keep up the good work!

**NEHA KHAN**

## FASHION DESIGNING

For those who wish to opt for Fashion Designing to enter the commercial world of fashion or even for personal satisfaction of possession the formal knowledge of clothing design, the course is aimed at linking creative exploration with technology and market understanding. A diploma in Fashion Design makes available wide range of opportunities in the garment industry for individuals with strong practical skills and knowledge of processes. The faculty for fashion at IWP promotes and provides a broad platform for self employment. The course covers all aspects of fashion from the source of inspiration to the production of original prototype. It emphasizes on developing personal responsibility and identity. The strength of course lies in its sense of realism. It increases innovation in designing and flexibility which enables the students to follow the ability to present and express fashion ideas.

## NPTT- (NURSERY PRIMARY TEACHER'S TRAINING)

Teachers Training Course offers in-depth and comprehensive introduction to teaching techniques and education as a profession. The course prepares the students for imparting education not only as an intellectual interest but also as a person with area of social concern. In depth analysis is made of the personal characteristics and professional skill that one needs to be successful in various roles the modern teacher assumes.

An innovative feature of the course is that the trainees are given adequate exposure to environmental studies at the school that propagate this scheme. Close association with a variety of such institutions enhances the opportunities of being absorbed as teachers in these schools. Further more, the overall comprehensive training given to students will qualify them to start and organise a Junior School of their own at the level of Nursery and Primary Classes.
